I TELL EVERYONE TO USE MUSCLE MX!

"I put Muscle MX on everything! Seriously, I love this stuff. It helps with any pain or body aches and it leaves your skin feeling so soft. I use it after working out for my legs and lower back. My husband gets really bad chapped hands in the winter. We have been putting this on them and it has helped so much! I tell everyone to use Muscle MX!"

–Samantha B (Restore Lotion)

LEG DAY HERO!

"I typically go pretty heavy on leg days. After my training sessions though, my DOMS (delayed on-set muscle soreness) is so bad, it's hard for me to get through my day. After using the Muscle MX balms, I have ZERO pain after my workouts. I repeat, ZERO! I'm astonished. Thanks to ACTIVATE/RECOVERY for removing my inflammation."

–Tim R (Activate & Recovery)

LOVE!

"I've been purchasing this item for the past 6 months because it helps my insomnia and anxiety. And it works fast! I highly recommend."

–Lena W (Relax Gummies)

IT REALLY WORKS

"I could tell a difference in pain and focus level immediately. Over the course of several days worth of use, the effects magnify. If you have chronic underlying aches, pains and annoyances, this is a powerful tool in controlling and managing them that limits the ibuprofen and acetaminophen overload that I used previously."
